LEARNING WITH BEST TRAINING in MILTON KEYNES: WHAT IS IT LIKE?

Best Computer Training Milton Keynes operates from one modern learning centre in Milton Keynes city centre, on the edge of the business district and adjacent to the shopping centre.

We operate a learning centre of 3600 sq. feet divided into reception area, training rooms, exam rooms, classroom/exam room, private interview room, staff room and kitchen facilities. We have expanded four times in the last five years to cope with the ever-increasing learner demand.

We have a staff of 14 full- and part-time tutors and administrators, many of whom have specialist qualifications at degree level or above.

We currently offer a range of short online and workbook courses from a variety of portfolios (learndirect, Best-brand and others) leading to a range of skills and qualifications.

What Courses are available?

- Workbook courses in IT and Accounts topics
- Online courses in IT and Business topics
- Online courses to improve Basic Skills of Numeracy and Literacy
- Enrolments are available immediately.
- National Vocational Qualifications (NVQs) at level 2 in Customer Service, Business & Administration, and IT.

How Does the Learning Work?

- Our learning is flexible self study
- We offer expert and friendly tutor support while you are learning.
- Learning appointments in the centre are booked during the week or on some evenings or Saturday mornings to suit the individual diary.
- Some courses can also be followed online in the office or at home as well as in the centre.
- You can study on an intensive basis or lesson-by-lesson
- Enrolments are available immediately.
